

ENVIRONMENTAL AUDITOR ASSESSMENT OF A WORKS APPROVAL APPLICATION

I,.....of....., an Environmental Auditor (appointed pursuant to the *Environment Protection Act 1970*) ('the Act'), having:

1. been requested by('the applicant') to assess that the Works Approval application prepared for the site located at ('the site') for the purposes of ('works')

2. had regard to, among other things (list relevant Policies):

.....
.....

and the following relevant documents (these may be documents published by the Authority or other relevant bodies such as guidelines, codes of practice etc):

.....
.....

3. consulted with the following referral authorities:

.....
.....

4. considered the following elements:

.....
.....

5. assessed the risk of any possible harm or detriment to the following segment of the environment that may be caused by the proposed works:

.....
.....

ENVIRONMENTAL AUDITOR ASSESSMENT OF A WORKS APPROVAL APPLICATION

HEREBY STATE that I am of the opinion that:

- i) the attached Works Approval application comprising (list documents assessed):

.....
.....
.....

contains adequate information of suitable quality to assess whether the application meets the Authority's requirements (i.e. that the proposed works would not be contrary to, or inconsistent with, any applicable policy, likely to cause or contribute to pollution, or likely to cause an environmental hazard)

and

- ii) the Authority's requirements would be complied with should the works proceed.
