

EREPA registered sites

Sites registered in the
Environment & Resource Efficiency Plans program

The following industrial and commercial sites in Victoria have registered with EPA Victoria in the Environment and Resource Efficiency Plans (EREPA) program. Each site used 120 megalitres or more of water and/or 100 terajoules or more of energy in the 2006–07 financial year, except those sites listed separately at the end, which registered voluntarily in the program.
