**Subject:** Fulton Hogan DL application - RFI002351

Dear Jeremy,

EPA has determined further information is necessary for the assessment of Fulton Hogan's application (APP010981) for a potential development licence. Pursuant to section 50(3) of the Environment Protection Act 2017, the Authority hereby requests the following information relating to the application.

1. You advised EPA on 20/6/2022 that the technical assessment reports for the application must be updated as required by Warrnambool City Council. The updates may affect EPA's assessment of the application for a potential development licence. Please provide the updated technical assessment reports.

Regards,
