

Prevent leaks and spills in your salon

Storage

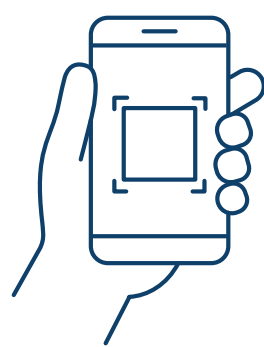

- Store all hair, beauty and chemical products in clean and dry designated areas
- Keep storage areas away from sunlight, heat, moisture, sinks and drains
- Use original containers that are sealed and in good condition.

Disposal

- Dispose of liquid waste at a lawful place.

Check and report

- Use spill kits to clean up leaks and spills
- Check your spill kit to make sure it's ready
- Report a major leak or spill to EPA Victoria.

Correct storage

Correct disposal
